

Events Manager, Statewide

The experience designer.

This role ensures every FETX event feels intentional, elevated, and aligned.

Responsibilities

- Oversee event standards across all cities
- Support city Event Coordinators with planning and execution
- Create timelines, run-of-show templates, and best practices
- Collaborate with Marketing and Membership for event strategy
- Ensure consistency and quality across markets

Ideal Candidate

Highly organized, anticipates problems before they arrive, thrives in logistics and people flow.
