

Content Creator

- Capture high-quality photos and videos at all FETX events, community initiatives, and member meetups.
- Ensure diverse and engaging content is gathered, including speaker highlights, attendee engagement, and behind-the-scenes moments.
- Work with event teams to coordinate content needs and ensure all key moments are documented.
- Identify and secure videographers or photographers for larger events as needed.
- Ensure media professionals have clear direction on what needs to be captured for sponsorship obligations and promotional purposes.
- Provide Social Media Manager Carynn Gonzales with all event content in a timely manner for promotional and recap purposes.
- Provide all required sponsorship deliverables (photos, videos, branding visibility) to the Partnership Manager within 48 hours of events.
- Ensure that sponsored elements (e.g., signage, branded products, activations) are well-documented and presented professionally.
